ABDUL GHANI FATTAHILAH

+62 852-8353-6285 | yuvesss6@gmail.com

Psychology student at Universitas Tarumanagara and multi-sport athlete: two-time national taekwondo silver medalist, volleyball spiker scouted by a German League 2 club, and Immortal-ranked Valorant in-game leader. Also an experienced coach with strong skills in observing behavior, giving feedback, and staying calm under pressure. Motivated to apply these strengths in interviewing, assessment, and human development roles.

Work Experiences

School Volleyball Team 2022 - 2023 (8 months)

Assistant Coach

- Supported the head coach in running training sessions for a squad of 24 players.
- Observed individual and team performance and gave players direct, constructive feedback.
- Helped prepare match strategies and coordinated players during games.

School Basketball Team 2022 - 2023 (8 months)

Assistant Coach

- Assisted in planning and delivering practice drills for a squad of 16 players.
- Tracked player progress and communicated areas for improvement.
- Balanced coaching duties across two sports during the same period.

Experimental Basketball Training Program - Jakarta, Indonesia 2023 (4 months)

Head Coach

- Led a program of 5 players, designing training that they could later apply in their own schools.
- Planned sessions, ran drills, and evaluated player progress.
- Adjusted training to fit each player's strengths and learning pace.

Natus Vincere Scouting & Development Hub (Valorant) - Online, EMEA 2023 - 2024 (1 year)

In-Game Leader (IGL), Developmental Player

- Selected for an internal competitive talent pipeline within a multi-team hub scouting next-generation EMEA talent.
- Served as IGL for a designated training roster of 5, managing mid-round calling, strategy execution, and team economy.
- Played high-pressure internal scrimmages, match simulations, and tactical drills against top-tier regional prospects.

Private Experimental Valorant Team - Online 2023 - 2024 (1 year)

Founder and Coach

- Ran a 1-year experiment training 5 unranked beginners to reach Diamond rank.
- Analyzed gameplay and designed training routines based on each player's performance.
- All 5 players reached Diamond, one reached Ascendant, and they formed a cohesive 5-player team.

Education Level

Universitas Tarumanagara - Jakarta, Indonesia Aug 2025 - 2029 (Expected)

Bachelor of Psychology

Paket C Equivalency Program - Online Homeschooling, Indonesia Graduated 2025

High School Equivalency (Paket C), Natural Sciences (IPA)

- Completed secondary education through online homeschooling while attending local schools as a guest student in each city I moved to; earlier study at Al Azhar 01.
